Re: Petition of Wisconsin Central Ltd. ("WCL") seeking an order of the Illinois Commerce Commission directing that an additional track and grade crossing be constructed at Deerfield Parkway (DOT 694 865 V) on the Wisconsin Ltd. in Lake County, Illinois; T03-0081; Exception to Proposed Order

Dear Mr. Lazarides:

The order directs that all costs for the traffic signal interconnect work are to be borne by the Lake County Division of Transportation. This traffic signal interconnect system is being installed pursuant to an order in Docket # T01-0063, which already allocated the costs of this interconnect system. As a matter of clarification, WCL requests that the Commission's order in T03-0081 indicate that costs for the traffic signal interconnect system are to be allocated in accordance with the allocation percentages set forth in T01-0063.

Thank you for your assistance in this matter. Feel free to call me if you have any questions.

Sincerely,

Michael J. Barron, Jr.
Counsel for Wisconsin Central Ltd.
